New S.T.A.R. Certificate

The Kentucky ABC Education Branch has recently changed the design of the S.T.A.R. training certificate. The new certificate is a standard size and will be easier for students to maintain and if they choose, display. Attendees will no longer receive two certificates when they successfully complete S.T.A.R. training; only the new certificate. These certificates are still valid for three years and are accepted throughout the Commonwealth.

In November 2013, a new game, Keno, will be available from the Kentucky Lottery Corporation. Keno is a lottery draw game played on a terminal system with drawings every 5 minutes. In order to win, players must select 10 of the 20 numbers
